JUDICIARY OPERATIONS
PREVIOUSLY RESTRICTED DUE TO THE COVID-19 EMERGENCY

WHEREAS, Pursuant to the Maryland Constitution, Article IV, § 18, the Chief Judge of the Court of Appeals is granted authority as the administrative head of the Judicial Branch of the State; and

WHEREAS, The Court of Appeals has approved Chapter 1000 of Title 16 of the Maryland Rules of Practice and Procedure setting forth the emergency powers of the Chief Judge of the Court of Appeals; and

WHEREAS, Due to the outbreak of the novel coronavirus, COVID-19, and consistent with guidance issued by the CDC and Prevention (CDC) and the Maryland Department of Health (MDH), an emergency exists for which measures continue to be required to mitigate potential for exposure for individuals visiting a court or judicial facility and judicial personnel; and

WHEREAS, The administration of justice necessarily has been affected by the pandemic and will continue to require the professionalism, courtesy, and cooperation of the members of the bench and the bar in navigating the changes to practices and procedures; and

WHEREAS, Remote proceedings have proved to be useful and effective in facilitating the courts' performance of core functions during the COVID-19 emergency and will continue to be necessary; and

WHEREAS, The COVID-19 emergency continues, though restrictions are being eased in parts of Maryland, and requires the Judiciary to implement a phased approach to progress from emergency operations toward full operational functions, while employing safety measures and monitoring local health conditions to continue to support the health and safety of Maryland residents and Judiciary personnel,

NOW, THEREFORE, I, Mary Ellen Barbera, Chief Judge of the Court of Appeals and administrative head of the Judicial Branch, pursuant to the authority conferred by Article IV, § 18 of the Maryland Constitution, do hereby order this 22nd day of May 2020, as follows:

- (a) Beginning June 5, 2020, there shall be a progressive, phased return to full operations by the courts in the Maryland Judiciary, court offices, administrative offices, units of the Judiciary, the Offices of the Clerks of the Circuit Courts, and the clerks' offices of the District Court, which have been restricted to emergency operations and closed to the public with limited exceptions since March 17, 2020; and
- (b) Consisting of five phases, each phase represents an increase in the level of operation within court locations. As the COVID-19 profile changes throughout the state over the next several months, it may become necessary to retreat from a later to an earlier phase, or to adjust the phase in one or more specific jurisdictions within the state, with any required changes in phases to be announced as soon as feasible; and
- (c) Phase I is the current state of emergency operations consistent with the *Fourth Amended Administrative Order Expanding and Extending Statewide Judiciary Restricted Operations Due to the COVID-19 Emergency*, filed May 4, 2020, as noted in the attached Exhibit; and

- (d) In Phase II, courts will expand the scope of matters that can be heard both remotely and on-site, including matters that were postponed or deferred during restricted operations, as well as matters that must be prioritized. Beginning at 5:00 p.m. on June 5, 2020, jurisdictions shall proceed to Phase II as described in the attached Exhibit, with the Offices of the Clerks of the Circuit Courts and the clerks' offices of the District Court remaining closed to the public with limited exceptions. Court activities shall proceed with restrictions to limit the concentration of individuals and allow social distancing, consistent with guidance of the CDC or MDH or both; and
- (e) In Phase III, courts will schedule and hold a broader range of matters, including certain non-jury trials in the District Court and attorney disciplinary matters in the circuit courts, with limited in-person services to be offered as determined by the administrative judge and posted electronically and in the court facility. On July 20, 2020, jurisdictions shall proceed to Phase III, as described in the attached Exhibit, with the Offices of the Clerks of the Circuit Courts and the clerks' offices of the District Court open to the public. Court and clerk activities shall proceed with continued restrictions to limit the concentration of individuals and allow social distancing, consistent with guidance of the CDC or MDH or both, and subject to staffing as determined in Section (o); and
- (f) In Phase IV, courts will resume non-jury trials and contested hearings in criminal, civil, family, and juvenile matters. On August 31, 2020, jurisdictions shall proceed to Phase IV, as described in the attached Exhibit, with continued restrictions to limit the concentration of individuals and allow social distancing, consistent with guidance of the CDC or MDH or both; and
- (g) In Phase V, courts will resume full operations, including jury trials. Beginning October 5, 2020, jurisdictions shall proceed to Phase V, as

described in the attached Exhibit, with continued restrictions to limit the concentration of individuals and allow social distancing, consistent with the guidance of the CDC or MDH or both; and

- (h) Through the end of Phase IV, the courts are authorized to conduct remote proceedings using communication platforms, consistent with the *Administrative Order on the Implementation of Remote Electronic Participation in Judicial Proceedings*, filed June 18, 2018, and the *Amended Administrative Order on Remote Proceedings Held During the COVID-19 Emergency*, filed May 1, 2020; and
- (i) Regardless of Phase, this Administrative Order permits and encourages the courts' consideration or resolution of:
 - (1) matters that can be addressed without a hearing; or
 - (2) matters requiring a hearing or trial, to the extent that an individual court has the capacity to hear such matters, either in person or on a remote basis, with access to the public as justice requires. Courts shall notify all participants to the proceeding if a matter will go forward. Jury trials, however, shall not proceed until the date established by the *Administrative Order Lifting the Statewide Suspension of Jury Trials and Resuming Grand Juries*, filed May 22, 2020; and
- (j) This Administrative Order allows the courts to provide services, either remotely or in-person, as appropriate to the Phase, consistent with the recommendations of the CDC, MDH, and local health departments, including, but not limited to, self-help centers, alternative dispute resolution programs, family division services, law libraries, and child care for litigants, witnesses, and those who have business in the court; and

- (k) Consistent with the recommendations of the CDC, MDH, and local health departments, any person who seeks entrance to courts and judicial facilities shall be:
 - (1) subject to COVID-19 screening questions,
 - (2) subject to non-contact temperature checks where available,
 - (3) required to wear face masks or coverings,

- (l) Any person may be denied entrance to or required to leave a court or judicial facility as a result of the screening process or as a result of refusing to comply with the requirements to wear a face mask or covering, or maintain social distancing:
 - (1) if, as a result of the screening process, such person shall be provided information regarding alternative means to address the purpose of that person's intended visit to the court, and
 - (2) if, as a result of refusing to comply with the requirements to wear a face mask or covering, or maintain social distancing, such person shall be required to leave the courthouse or facility; and.

- (m) Through Phase IV and pending further order of the Chief Judge of the Court of Appeals, in order to achieve the requirements of social distancing, administrative judges may limit the number of people entering the courthouse or a courtroom. The courts shall inform individuals seeking access to the courthouse that access to courtrooms and other court spaces may be limited; and

- (n) Regardless of Phase, credentialed press shall be admitted to the courthouse and courtrooms (other than hearings that are closed to the public), subject to

available capacity and in compliance with the guidance of the CDC and MDH; and

 - (2) If a court issued a notice scheduling the matter on or after March 16, 2020, the matter shall proceed unless participants are otherwise notified by the court; and
