### Amendment # 1

### RFP# 9121

### Security Camera for District Court in Essex, Maryland

This Amendment is being issued to amend and clarify certain information contained in the above named RFP. All information contained herein is binding on all Offerors who respond to this RFP. Specific parts of the RFP have been amended. The following changes/additions are listed below; new language has been underlined and language deleted has been marked with a ~~strikeout~~ (ex. ~~language deleted~~)

The four cameras will be located as follows:

- 1) In the holding corridor (CORRID.) install a camera on ceiling in the corner looking towards the interview room.
- 2) In the interview room (INTV.) install a camera looking toward the holding corridor and view the holding cell doors.
- 3) In the sally port install a camera on the wall that will have vision of the rear of the backed in vehicle and the entry door to the Holding area.
- 4) At the rear of the building provide a camera that will be placed outdoors approximately 12ft high to view the rear walkway and access to the building.
  - Vendor's proposal should include a 2 year warranty on all installed equipment.
  - Vendor should also provide an Add-Alt price to include a warranty on the entire security camera system.

\*\* See attached an updated drawing for the project as well as some pictures of the DVR power supply
